Dear Dr. Xu:

Congratulations! We are pleased to inform you that the American Academy of Dental Sleep Medicine (AADSM) has approved you for the Qualified Dentist designation. Your online listing in the AADSM Find-a-Dentist directory has been updated to reflect this achievement.

The AADSM Qualified Dentist designation recognizes dentists who have a valid state dental license, liability coverage and have completed an AADSM Mastery I Course.

The AADSM Qualified Dentist designation is awarded for a two-year period with the option to renew every two years. Your Qualified Dentist renewal date is:

Renewal Date: 10/16/2025

Three months prior to the expiration of your Qualified Dentist designation, you will be able to renew online at AADSM.org. The requirements for renewal are as follows:

1. Confirm that your license and professional liability coverage are valid.
2. Document 15 hours of recognized continuing education (CE) in dental sleep medicine (ADA CERP or AGD PACE) from any CE provider.
3. Pay an administrative fee of \$100.

All dentists practicing dental sleep medicine are also strongly encouraged to become Diplomates of the American Board of Dental Sleep Medicine. For more information on how to become an ABDSM Diplomat, please visit ABDSM.org or contact info@abdsm.org.

Congratulations on meeting the requirements of the AADSM Qualified Dentist designation and thank you for helping the AADSM to advance the dentist's role in the treatment of sleep-disordered breathing.

Sincerely,

Mitchell Levine, DMD
President
